If yes: from which institution

Period of support

Purpose of the scholarship

5. Declaration

I assure the correctness and completeness of my statements. I am aware that I have to repay the whole scholarship, including any interest, if I have made false declarations or if I have deliberately withheld information that is relevant for my scholarship.

I undertake to inform the Department of International Affairs of TH Köln immediately in writing in case of changes in my personal or economic situation – in particular if I receive a scholarship from another institution or if I start a job for which I earn more than 520 € pre-tax per month.
