

\*External thesis: Students work on their thesis mainly on the premises of a company/institution(1) where they receive professional supervision and support from the company/institution. The topic of the thesis is in the company's/ institution's interest. The second examiner can be (but does not have to be) employed by said company/institution.

(1) Definition company/institution: Company: Economic and socio-economic enterprises; Institution: associations, public institutions, non-profit organizations, non-governmental organizations

**Please note:**

In accordance with sect. 25 (1) of the examination regulations only students who have accumulated at least **85 ECTS credits** and have passed all compulsory modules are allowed to register for the Master's thesis. For students whose enrollment was conditional, all conditions must be fulfilled and respective supporting documents must have been submitted to the Office of Examination Services.

You need to **register separately for the final oral examination**. In accordance with sect. 28 (2) of the examination regulations, the final oral examination cannot take place before all module examinations and the Master's thesis have been passed (i.e. graded "sufficient").
